just received this

and it is clouding up.

While I was writing the

the first sheet of this the

sweat was I was taking

was almost beyond endurance.

I went over to get a

writing tablet at the store

just after dinner. Mr. Riddle

said "Well I wrote to

that Widower last week told

him about and invited him

over for the fourth. Now

when he comes and I

bring him down you have

got to do your part."

How is he coming I asked? "
