Alva Zella Matheson and LaKay's papers from LaKay M. Weber's Home

Miss La-Kay Matheson

147 West 400 South St.

Cedar City, Utah

about the workings of a plane.

He also worked with procurement

and distribution for the army, so

he knows their complicated filing

system and methods. He has been

offered \$300 a month in that type

of work at Hill Field or in

California.

I wish that I could meet

his family. I guess I too would

be a little more certain. I have

seen pictures of his mother and

read some of her letters and

she seems to be very sweet.

His father is a Catholic and has

apparently done a lot of drinking

in the past, but the Dr. has

given him strict orders not to

touch it since his recent

illness, so that Charles

has hopes that that

situation will be

remedied. I know

nothing else about the

family except that it

contains a number

of Drs. & lawyers.
