records from Alva and Zella (Barnson) Matheson and La Kay (Matheson) Weber collected during their lives and from their ancestors

me there was anything wrong

but Sister Brown said she

had been having dizzy

spells.

I will go to meet

the folks and get Cleone

either next Sunday or

the 14th. The 14 I suppose

because Cleone's letter

this morning said

sister wanted her

to stay untill after

the 10th. Merdath will

go over to stay untill

school starts.

We haven't a thing together

yet for the girls school

outfits so will have

to get bussy.

I wish I could run

up to see Aunt Maria

for a day or two.
