[upside down text] Will send a little Present to
Loreta

with George to day from Mother

your hearts, to the extent that is

bearable. I know how you feel

little girl, I remember, when

I came to your house, with Ella

Morrill, and Hattie, how little

Floyd, brought out all his

little toys, and showed them

to me, and look at his picture

and very often. Vivian our

Father wanted little Floyd, for a

wise purpose, so, let us submit,

and say thy will be done, not

mine, Viv. O thank God-every

day, for giving Andrew, and you

strength to bear, and willingness

to submit to his dealings with
patience.

Old Santa came to my house

last night, with such a cute

present, that I just think

he is a dandy. Mother is

well, and all right.

Love to all.
