Alva and Zella Matheson files from LaKay M. Weber's home.

woman. Don't try to do too much

in one day sweetheart. Write

to mamma if you have time

and tell me just how you

manage. And tell me if Merdath

is much of a worry or trouble to sister and you. I  
worry so about her. I can't let my baby girl go any  
more, only when I go.

My head aches to-night.

I have felt so bad for dear

sister and Clarence ever since

I received the word.

I had just quit worrying about

her and decided that she

was going to get strong again

an everything be alright.

So it was harder to learn

the results.

Mamma will be glad to have her girls

home again. But I am glad if you can

help sister now. Word to get from Mamma

Love from Cleone & daddy
