Alva and Zella Matheson files from LaKay M. Weber's home.

time when we are together I'll tell
you all about it but I can't write
it. I don't feel that it will ever
be possible to love again - least
of all trust again, and love
without trust is vacant. I guess
you are wondering if I am
here - suppose I am, although I
have my doubts at times but
don't think me anything other than
normal, for that's my complex at
present. I hope I'll improve soon,
but zella when one becomes sick
of life, love, and all else that
make or did make happiness
possible it isn't to ill wonder
at.

but I am right at the breaking
point, I had to tell someone, you
will forgive me won't you dear.

I've tried every since I came
to find a chance to, Bryce. maybe
one of these Sunday's we will run
over.

I have learned to drive Rulon's
car and it sure is fine to be
able to go and come when I
choose. Its a Chevrolet Coupe.

The melons will soon be ripe.

I'll try and come back to Earth
