Alva and Zella Matheson files from LaKay M. Weber's home.

with sleepiness in school.

I sent the feather tick

and two quilts of with today's

mail. One quilt was an old

one sister left here. Just as

well have had them before.

Why didn't we think to take

it. I haven't enough bedding

for an extra bed in cold

weather anyway. Since Aunt

Mina's folks moved away

I don't have any use for

one. Sleeping over there will

be rather a cold dose. Yet

I don't think it will be

as cold in the basement

as it is in our sleeping room.

Be sure that you warm your

feet well in cold weather before

you go to bed. Too bad

that you have to freeze there

while I freeze here.
