The services of my ancestors in assisting in the pio-  
neering Utah were as follows:

My father, Peter Mortensen, and mother,  
Lena Sanderson, with eight children  
came to Salt Lake City Nov. 9, 1856 and  
were sent at once to nParowan Iron  
County to help colonize. Southern Ut,  
Father and brothers were coopers by  
trade and furnished all settlers  
with many useful articles such  
as tubs, buckets and other household  
articles, many of which remain today.  
I though very young did much  
carding, spinning and knitting  
both wool and cotton. After the  
factory was established, finer threads  
were spun which were used for  
making lace and finer articles.
