The next night he didn't call me, so I went to a show

date, and we were going to double date, He kissed her, too,

really started to happen. Burns decided that he wanted to

and her reaction was exactly the same as mine. I wanted to

kiss me, so he did. I was completely helpless, I couldn't

run right home to "Mommy and hide behind her skirts. I have

thing I can think of to that is being hit by a steam-roller.

The show was really cute. It's one I think you and

Dad would really enjoy. It was "Moonlight Bay. It's

I turned and walked into the house, but the next night he

partly a musical, and partly just the story of good old=

fashioned home life. Even to the mean little "Tom Sawyer"

called me. That was last night, Charles had called me and

we were going to the show. He wanted a date, so I asked

"Penrod", .

Donna Taylor to go with him. She's about 5'10", and correspondingly heavy,,so I thought she could

We are going to see "Alice in Wonderland" tonight.

I surely wish that the kids were here so that I could take them to it. It should really be cute. Disney's always are, and the previews of this looked even better than some of the others.

I wish that I could tell you exactly how I feel about

Charles, and I would. He's a wonderful fellow, and it

wouldn't really be hard at all to fall awfully hard for

him. Two things stand in the way. One, of course, is Steve,

I daren't even think what it would do to him, 'The other is

Charles. I'd actually be afraid to fall for him, I think,

He's been around a little too much for a naive little

country girl like me. He makes good money, and I think he'd

give his wife almost everything she desired. He's extremely

religious, so I'd never have to worry about that angle, and

that's the one I'm going to be certain of, first and

foremost, because I could never be happy with someone who

wouldn't take part in his Church Activities with me.

Tomorrow is stake conference in the Ensign Stake.

Joseph Fielding Smith is to be the speaker, I wish that I

could be down there to hear Brother Cowley speak, I'd much

rather, but I suppose both will have a message to put over.

Apostle Cowley is a member of our ward.

Well, it's getting late, and this typewriter is getting

so that it won't write a thing, so I'd better stop.

Tell the kids "Hello" for me, and tell Neal to stay out of

trees that are too big for him from now on.

Charles is here, so I've got to run. So Long.
