records from Alva and Zella (Barnson) Matheson and La Kay (Matheson) Weber collected during their lives and from their ancestors

The path of virtue is a

lonesome one, in this age

when the world is ripe

for destruction, as is proven

by the disasters we

read of in every paper.

But the reward received in

this life for traveling it.

The joy and contentment

of a clear conscience, a

name that their children

of the future need not

blush to own is sufficient

reward for the sacrifice.

Too bad the rider got

hurt, yet they have to expect

that when they take the

chances that they do.

The work Mr. Morgan asked

you to do was, rather out

of your line wasn't it.
